

We are excited to offer a fun option during recess. The first grade teachers are inviting all students to walk with them during our recess time!

Students will walk 4 laps around the school, which equals 1 mile. The walks will take place on days 1, 3, and 5. The children can walk any or all of these days if they would like to join us.

The children do need to wear sneakers to participate.

We will have a link set up on the West Hill Homepage to track our distance walked each week. Please visit it weekly to see how far we have traveled! Or you can go directly to our link at
